GENERAL TERMS AND CONDITIONS ZauberKabinett-Shop § 1 Scope, customer information

The following general terms and conditions regulate the contractual relationship between the ZauberKabinett-Shop and consumers who buy goods through our shop. The contract language is German.

§ 2 Conclusion of contract

(1) The offers on the Internet represent a binding offer to you to buy goods.

(2) You can add one or more products to the shopping cart. In the course of the ordering process, you enter your data and wishes regarding payment method, delivery modalities, etc. Only by clicking the order button do you accept this offer to conclude a purchase contract. You can also conclude the purchase contract by telephone.

§ 3 Customer information: Storage of your order data

Your order with details of the concluded contract (e.g. type of product, price, etc.) will be saved by us. We will send you the terms and conditions, but you can access the terms and conditions at any time via our website after the contract has been concluded.

As a registered customer, you can access your past orders via the customer login area (personal data).

§ 4 Customer Information: Correction Note

You can correct your entries at any time before submitting the order with the delete key. We will inform you about further correction options on the way through the ordering process. You can also completely end the ordering process at any time by closing the browser window.

§ 5 Retention of title

The purchase remains our property until full payment.

§ 6 Statutory warranty rights

(1) Rights to Liability for Defects

Statutory warranty rights exist for our goods.

Conditions

(2) Statute of Limitations

Your claims for defects in used goods expire one year after the goods sold have been handed over to you. Excluded from this regulation are claims for damages, claims due to defects that we have fraudulently concealed, and claims from a guarantee that we have assumed for the quality of the goods. For these excluded claims, the statutory limitation periods apply.

§ 7 Limitation of Liability

We exclude liability for slightly negligent breaches of duty, provided these do not relate to essential contractual obligations, damage from injury to life, limb or health, guarantees or claims under the Product Liability Act. The same applies to breaches of duty by our vicarious agents and our legal representatives. The essential contractual obligations include, in particular, the obligation to hand over the item to you and to give you ownership of it. Furthermore, we have to provide you with the item free of material and legal defects.

End of the general terms and conditions These terms and conditions were created by the janolaw legal experts and checked in legal practice. <http://www.janolaw.de>

Packaging Ordinance:

We try to avoid packaging material where possible and try to use very ecological or reused packaging. Please make sure that you dispose of the packaging in an environmentally friendly manner, or if in doubt you can send it back to us. We try to use cardboard or paper-cardboard material as packaging that you can easily dispose of in your paper bin and thus return to recycling. If you have any questions, we are at your disposal.

Battery law:

In connection with the sale of batteries or rechargeable batteries or with the delivery of devices that contain batteries or rechargeable batteries, we are legally obliged to inform you of the following in accordance with the Battery Act (BattG):

Batteries may not be disposed of with household rubbish. You are legally obliged to dispose of batteries and rechargeable batteries properly. You can hand in your old batteries free of charge at the public collection points in your community or wherever batteries are sold. You can also return used batteries to us at the address above. We will then dispose of them professionally and free of charge for you. Batteries containing pollutants are marked with a symbol

Conditions

consisting of a crossed-out garbage can and the chemical symbol (Cd, Hg or Pb) of the heavy metal that is decisive for the classification as containing a pollutant.

You will find the relevant information on this in the respective instructions. Please note!

The garbage can symbol means: Batteries and rechargeable batteries must not be disposed of with household waste.

The symbols under the dustbin stand for:

Pb: Battery contains lead

Cd: Battery contains cadmium

Hg: Battery contains mercury

Please make sure that batteries and accumulators are completely discharged when you hand them in, or that they are protected against short circuits. (e.g. by masking the poles with
